Notes on Question No. 1 (Amendment to the Constitution).

Shall an amendment to the constitution to provide for a Fair, Concise Summary, instead of a Description, of Each Proposed Amendment to the Constitution and Each Law submitted to the People, under the Initiative and the Referendum, and Certain Changes relative to the Filing of Initiative Petitions which is further described as follows:—

This amendment amends Article XLVIII of the Amendments to the Constitution by striking out section three under the heading "The Initiative. II. Initiative Petitions" and inserting in place thereof a new section which provides,—

That an initiative petition for a constitutional amendment or a law shall first be signed by ten qualified voters of the Commonwealth and shall be submitted to the Attorney General not later than the first Wednesday of the August before the assembling of the General Court into which it is to be introduced. It may be filed with the Secretary of the Commonwealth if the Attorney General shall certify that the measure and its title are in proper form and that it is not, affirmatively or negatively, substantially the same as any measure which has been qualified for submission or submitted to the people at either of the two preceding biennial state elections, and that it contains only subjects not excluded from the popular initiative and which are related or which are mutually dependent.

The Secretary shall provide blanks for the use of subsequent signers. He shall print at the top of each blank a fair, concise summary of the proposed measure, as determined by the Attorney General as it will appear upon the ballot, together with the names and residences of the first ten signers. All such petitions, with the first ten signatures attached, shall be filed with the Secretary not earlier than the first Wednesday of the September before the assembling of the Legislature into which they are to be introduced, and the remainder of the required signatures shall be filed not later than the first Wednesday of the following December.

Section 3 of that part of said Article XLVIII under the heading "The Referendum. III. Referendum Petitions," is also amended by striking out the second sentence of such section and inserting in place thereof provisions that the Secretary shall provide blanks for the use of signers of a referendum petition on a law requesting that the operation of such law be suspended subsequent to the first ten signers and shall print at the top of each blank a fair, concise summary of the proposed law as determined by the Attorney General as it will appear upon the ballot, together with the names and residences of the first ten signers.

Section 4 of that part of said Article XLVIII under the heading "The Referendum. III. Referendum Petitions," is also amended by striking out the third sentence of such section and inserting in place thereof provisions that the Secretary shall provide blanks for the use of signers subsequent to the first ten signers of a referendum petition asking for the repeal of an emergency law or of a law which takes effect because the referendum petition does not contain a request for suspension, and shall print at the top of each blank a fair, concise summary of the proposed law as such summary will appear on the ballot together with the names and residences of the first ten signers.

Article XLVIII is further amended by striking out subheading "III. Form of Ballot" and subheading "IV. Information for Voters" under the heading "General Provisions" and inserting in place thereof new subheading III and IV, which provide, respectively:

III. Form of Ballot.

A fair, concise summary of each proposed amendment to the Constitution and each law submitted to the people, as determined by the Attorney General shall be printed on the ballot. The Secretary shall give each question a number and cause such question, except as otherwise authorized in said article of amendment, to be printed on the ballot in the following form:

In the case of an amendment to the Constitution: Do you approve of the adoption of an amendment to the Constitution summarized below, (here state, in distinctive type,

Notes on Question No. 2 (Amendment to the Constitution).

Shall an amendment to the constitution to provide that the General Court may prescribe the terms and conditions under which pardons of offences which are felonies may be granted which is further described as follows: —

This article of amendment to the Constitution of Massachusetts annuls Article VIII of Section 1 of Chapter II of Part the Second of the Constitution, which vested the Governor, by and with the advice of Council, with the full and unrestricted power of pardoning offences of which a person is convicted, except such as persons may be convicted of before the Senate by an impeachment of the House, and adopts a new Article VIII in place thereof.

This new Article VIII vests the pardoning power in the Governor, by and with the advice of the Council, but provides further that if the offence to be pardoned is a felony the Legislature shall have power to prescribe the terms and conditions upon which a pardon may be granted.

The new Article VIII contains the same provision as the old with relation to the ineffectiveness of pardons granted before a conviction, — which proposed amendment was approved by the General Court and in a joint session of the two branches held July 8, 1941, received 199 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 12, 1943, received 198 votes in the affirmative and 0 in the negative, — be approved?

Voices on Question No. 5 (Referendum) "Law Submitted upon Referendum after Passage."

Shall a law described as follows: — This law amends chapter 271 of the General Laws by striking out Section 22A, as previously amended, and inserting in place thereof a new section 22A, which provides that conducting or promoting a game of whist or bridge in connection with which prizes are offered to be won by chance, or allowing such a game to be conducted or promoted, shall not authorize the prosecution, arrest or conviction of any person for such acts under chapter 271 of the General Laws, which deals with crimes against public policy, if the entire proceeds of the charges for admission to such game are donated solely to charitable, civic, educational, fraternal or religious purposes. This new section does not contain, as did the section now stricken out, provisions authorizing the licensing and conducting of the game of beano, — which section was approved by both branches of the General Court by vote not recorded, — be approved?
